

ENDO SMARTCAP[®] ENDO GATOR[®]

Disposable Tubing | **Procedure**

THE COMPLETE CIRCLE OF PROTECTION

As the global vanguard in infection prevention, only Cantel Medical delivers the Complete Circle of Protection, a full-value, proactive partnership dedicated to helping you remove risk, streamline operational efficiencies and optimize your success.

Disposable GI Endoscopy Irrigation Solutions designed with patient safety in mind.

Infection Prevention

- No need for reprocessing
- Reduced risk of cross contamination

Efficiency

- Minimizes reprocessing requirements
- Creates consistent practices

Compatibility

- Use of CO2 or air insufflation
- Works with all irrigation pumps and sterile water bottles

PROCEDURE

Reducing the risk of patient cross contamination is at the forefront of infection prevention. Cantel innovates infection control products designed to improve patient outcomes, while increasing procedural efficiency.
